## CHANGING SCENES

SPRINGFIELD HIGH SCHOOL  
101 SOUTH LEWIS  
SPRINGFIELD, ILLINOIS

"In Change, therefore, there is nothing supernatural; on the contrary, it lies in the very essence of our lot and life in this world. Today is not yesterday; we ourselves change; how can our Works and Thoughts, if they are always to be the fittest, continue always the same? Change, indeed, is painful; yet ever needful; and if Memory have its force and worth, so also has Hope.

## SCHOOL BOARD

The Board of Education represents the citizens of the district in matters pertaining to policy and finance of the Springfield Public School System. This year after making a careful study of our present educational system, the board revealed to the citizens the additional needs which are necessary for a better school system. An extensive study of the vocational training programs was conducted and improvements in this area were made. At our school, the redecorating of the cafeteria and the remodeling of rooms to make additional classroom space were projects of the board to more efficiently utilize our available space. These are indications of the consistent effort by the school board to make S.H.S. and the other Springfield schools the finest schools possible.

The most important single ingredient for success is a staff that is diligent, dedicated, and disciplined. During my 15 years as principal, I have seen evidence of this diligence, dedication, and discipline. I am most proud to realize that Springfield High School does not just have a reputation for being a place where students go to learn, but also a place where they learn to be the pattern for future leaders. I am proud that I can look at the school and see an example of leadership not just in the classroom, but in the working staff. These people stand ready to meet the challenge of the future. By working together in harmony, we can make a difference in the lives of our students and our community. We can make a difference in the lives of our students and our community. We can make a difference in the lives of our students and our community.

In addition to welcoming two new Counselors to Springfield High, the school also adopted an entirely new guidance system. Because of the revision of a room into a Counseling Center and because of the transfer of equipment to the room, the counselors were better able to comodate the students concerning vocational studies and college policies. The system was achieved also because each counselor was in charge of all the boys or girls of a single class. The problems and demands of the class were thus specifically known by the class counselor. With this modification of the counseling system came greater efficiency and more continuity between the students and the counselors.

# INDUSTRIAL ARTS

Edward Nelson

The Industrial Arts Department has been a part of the school since 1900. It was then known as the Manual Training Department. The department has since changed its name to Industrial Arts. The department is now a part of the school's curriculum. It is a department that is designed to teach students the skills and knowledge needed to enter the workforce. The department offers a variety of courses, including wood shop, metal shop, and machine shop. The department is staffed by experienced teachers who are dedicated to providing their students with the best possible education. The department is also a part of the school's extracurricular activities. It offers students the opportunity to participate in various competitions and projects. The department is a vital part of the school's curriculum and is dedicated to providing its students with the skills and knowledge they need to succeed in the workforce.

# HOME ECONOMICS

During the school year, the Springfield High School Home Economics Department studied such things as the preparation of nutritional-ly balanced meals, the selection of fabrics and home furnishings, and the training of children. Under the direction of Mrs. Nesbitt and Mrs. Hyde, the students studied the various aspects of family life, and learned the basic skills of general homemaking

# PHYSICAL EDUCATION

Abbie Plon

The development of understanding, habits, and attitudes necessary to maintain physical and mental effectiveness was the goal of the Physical Education Department this year. During this year gym classes, students were instructed in many athletic activities such as basketball, track and field, and tumbling. In addition, the department offered courses in bowling and swimming. Besides helping to expand skill, the department hopes that it will help the student attain a sense of good sportsmanship and fair play.

# SPECIAL EDUCATION

William Muelhauser

In addition to the Special Education Department's speech correction program, the school this year initiated a program for the physically handicapped. Headed by Mr. Muelhauser, the resource room teacher, this program enabled the handicapped students to participate in high school life. With a year of success behind them, the sponsors of the S.H.S. program for the physically handicapped hope to carry out an even broader program of accomplishments in the years to come.

# SPECIAL SERVICES

Mrs. Blair—Nurse

Working at Springfield High School three days a week, Mrs. Blair, School Nurse, was happy with the newly equipped school clinic which functioned more efficiently than the former one. The secretaries in the Student Office, Miss Bryant and Mrs. DiAngelo, were very busy from eight to five each school day. Their jobs included such things as issuing locks and lockers and keeping track of absences. In any high school which has a population of over two thousand students, an efficient office is almost as necessary as a challenging faculty. The Main Office, staffed by Miss Atkins, Miss Stringer, and Mrs. Lane, performed the vital secretarial tasks which made the administrative machinery of SHS run smoothly.

## CAPITOLINE

The 1963-1964 Capitoline Staff worked diligently to compile an interesting yearbook of which the student body can be proud. Under the sponsorship of Mr. [Name], the group conducted weekly meetings to plan the book. In addition, each staff member devoted much of his spare time to work for the Capitoline. Through days of taking pictures and writing copy were many of the items of interest which the staff had to complete. In addition, many of the staff members attended the annual yearbook convention held every three years in Champaign, Illinois. The Capitoline staff hopes that they have been successful in their efforts to keep abreast with the latest developments in yearbook publishing.

Les Bas Bleus, organized over fifty-seven years ago as a literary society for girls of S.H.S., has become one of the most active service clubs of our school. Starting the year with its traditional initiation and reception of new members, the organization continued its activities by selling toffy apples at the football games

entering a second-prized float in the Homecoming Parade, and presenting many interesting programs at the meetings. With the able supervision of Miss Rasmussen, the Les Bas girls also served S.H.S. by holding a full-scale "Clean-Up" of the school campus and by presenting their annual spring dance.

## JUNIOR LES BAS

Junior Les Bas throughout the year supported the projects of the Senior Les Bas group. Selling taffy apples at the football games, helping in the "Clutter Clean-up," and working as babysitters on voting day were just a few of the projects to which the girls devoted their time and effort. In this way they earned points which will enable them to advance to become Senior Les Bas.

## PHILOS

This year Philos had a total enrollment of more than 200 members. In addition to its main project of sponsoring a foster child from Columbia, the group helped with the Animal Shelter, and put in many hours of service for the John Hays Homes. In the Homecoming Parade, Philos had the winning float, which was the first in the history of Springfield to be made entirely of flowers. The ambitious Philos sold popcorn during home football games and they competed with Les Bas in various sports activities.

## ART CLUB

Besides participating in school activities, the Art Club has done much to further the member's appreciation and ability in this field. Under the direction of Mrs. Lawrence, the club took numerous field trips to art museums and to exhibits. The Art Club provided special assistance to A Cappella by making scenery for concerts.

## DEBATE CLUB

Meeting once a week with their sponsor, Mr. Hughes, the members of the Debate Team prepared for their major tournaments in Bloomington, Carbondale, and Peoria, and for the Big Twelve, sectional, and state meets. At these Monday sessions the team did research, planned debate cases, and held practice debates. The debaters gained much valuable experience in discussing the controversial statement: "Resolved: That the federal government should provide complete medical care for all citizens at public expense." The goal of this organization was to promote leadership, speaking ability, and confidence within its members.

## FUTURE SECRETARIES

Sponsored by the National Secretaries' Association, the S.H.S. branch of Future Secretaries provided a club for any girl interested in pursuing a secretarial career. Any qualified business education students who were juniors or seniors at S.H.S. and who maintained a C plus or better average were welcome to join. The main purpose of this ever-increasing chapter was to create interest and develop skill and understanding in the secretarial field of work.

## FUTURE TEACHERS

The Future Teachers of America Club consisted of juniors and seniors from Feltshans, Lanphier, and Springfield High School. The main objective of the club was to acquaint prospective teachers with all of the aspects of the teaching profession. Attending films and lectures, working on Christmas projects, and observing special teaching methods were only a few of the activities in which the members participated. The Student Observation and Participation program (S.O.A.P.) and the State F.T.A. Convention were the highlights of the year. The S.H.S. advisors, Miss Campbell, Miss Dugan, and Miss Story, fulfilled their promise of a full and exciting year for all members of the club.

## CAFETERIA COUNCIL

The members of the Cafeteria Council of Springfield High School worked diligently throughout the year to provide for greater efficiency in the school lunch program. Holding semi-monthly meetings before school, the Council's programs consisted of work-plans, movies, and guest speakers. The Christmas breakfast again proved a gala affair. The Cafeteria Council also provided beneficial services for their school by buying books for the library and by paying for the lunch of the A.F.S. student. Filling a basket for a needy family was their Thanksgiving project. The responsibility which the Cafeteria Council members undertook and the experience which they gained will prove a value to the individuals as the Council's services proved a value to the school.

# YOUTH FOR CHRIST

Youth for Christ, an Interdenominational organization, met every Tuesday after school this past year. Besides the weekly meetings which featured singing, quizzes, speakers and discussions, the club was very active with the area Y.F.C. Clubs. These area clubs sponsored retreats, Saturday night rallies, singspirationals, basketball and softball games, and other special activities. One important event of the year was the annual Holiday Teen Convention in Chicago. There the students benefited from the interesting speakers and discussions presented to them.

# DISTRIBUTIVE EDUCATION

This year Springfield High School's program of Distributive Education consisted of two phases: the classroom study and the job training. The aim of the course was to instruct students in the fundamentals of retailing establishments and to enable the students to apply these techniques in their work. For their job training, the students received not only school credit, but they gained invaluable working experience as well.

## ASSEMBLY COMMITTEE

Early in September, the Assembly Committee, advised by Mr. O'Neal, met to select professional performers to appear in the four major school assemblies and to discuss the problem of seating the students. This year the committee was composed of three seniors, three juniors and two sophomores. The program choices of the committee were based on both educational value and appeal to the students.

## ADVANCED BAND

The Advanced Band, under the direction of Mr. Conavay, strived hard to perfect its musical renditions. Always a pleasure to hear, the band presented many programs throughout the year—both for the school and for the community. A concert under the dome of the Capital building and a Christmas program were only two

examples. In addition the band added to the community festivities by playing in a city parade. Practicing an hour each day, the band served its school by its spirited music rendered at home athletic events. With a new peak of perfection achieved, the band completed another successful year at S H S.

## SINGING SEVEN

Chosen for their vocal ability, poise, and personality, the girls of Springfield High School's Singing Seven entertained at school concerts and at numerous civic programs as well. Cheerful ambassadors at S.H.S., these seven junior and senior girls and their accompanist spent much time each day in a practice session to perfect their tuneful renditions. Clad in their bright red jumpers and white blouses, the Singing Seven radiated warmth and vitality in all of their presentations. They truly upheld the standards of S.H.S.

## A CAPPELLA CHOIR

During the first part of the year, the A Cappella Choir, composed of highly selected voices, began practicing for the Big Twelve Music Festival, which was held in April. The members also prepared for the Festivals, which was the first time the school's history was entered around a European music festival. In May, the choir performed, presented a Mid-Winter Concert, which featured Pachelbel's Magnificat. After this, the group prepared for the All-State Music Festival, which was held at all of Springfield's high schools. The A Cappella Choir closed the year by presenting the annual Spring Concert in May.

# ORCHESTRA

Composed of about forty members, including some Band members, the Orchestra presented many programs during the course of the year. A concert under the dome of the Capitol Building, a Spring Program, and a presentation at the Commencement Exercises were among the many concerts. In addition, the Orchestra participated in the Big Twelve Music Festival and in the February Arts City Festival.

For the third year in a row, Coach Art Cochran's cross country squad was undefeated in dual meet competition. With senior John Prillaman leading the way, the harriers also had an excellent record in big meet competition. The Senators won the city meet, took second in the Big Twelve, fourth in the Pearia Invitational, second in District and fourteenth in the state. Prillaman, who won both city and district, set a record for the new two mile course with a time of 2:07. Seniors Don Jensen and Bob Laurent, and juniors Al Crouse, Jack Meyers, Randy Hart, and Paul Atwood also had outstanding varsity records.

Coach Robinson's young grapplers gained valuable experience this year and with junior Barry Kaiser showing the way with a win in city meet, show good promise for next year. Seniors Berry Wanless and Dave Sweet finished their varsity careers with good

showings. The wrestlers worked hard every night despite the lack of facilities which forced them to practice on the stage of the auditorium many nights.

Cooch Plain's team finished with a good 15-12 record in spite of being plagued by injuries all year. Showing signs of greatness at times, the Senators suffered from inconsistency. They started off strong by winning the consolation bracket at the Pontiac Tournament. Marty Oberman gave a lift after City, but was lost for the Regional Tournament because of a knee injury. With three big junior front liners returning next year and with the addition of a fine sophomore team, including Steve Jurkins, who saw varsity action at the end of the year, Springfield should be a power in the City and Big Twelve next year.

## CHEERLEADERS

The 1963-64 S.H.S. cheerleaders have done their best for the spirit of the student body. "Practice makes perfect" is one of their mottos, and they do practice—from the beginning of summer vacation until the end of the basketball season. They strive to encourage the best school spirit in the state, work for entertaining and enthusiastic pep assemblies, and make signs, hoops, and posters for the games. The charming representatives of S.H.S. encouraged our teams and our crowds all season.

ACTIVITIES

# OPERATION AMIGO

On the morning of October 3, 1963, Springfield High School conducted an outdoor assembly at which the students and the city of Springfield initiated Operation Amigo—a project to promote ties between foreign countries. At this enthusiastic assembly, twenty-five students from Cali, Colombia, arrived to spend two weeks living with an American family and attending school. Sponsored by Copley News Service, Operation Amigo's basic purpose was to acquaint the Colombian students with the basic structure of city and state governments and to enable them to learn of American life by actually taking part in its activities. The schedule of activ-

ties for Operation Amigo was diversified and busy. Besides attending S.H.S. classes, the foreign students met Governor Kerner and Secretary of State Carpentier, toured state and municipal buildings and attended a meeting of the City Council. The visitors were luncheon guests of various civic groups such as the Cosmopolitan Club and the Lions Club, and they were entertained at numerous parties and picnics by groups such as the Springfield P.T.A. The Colombian students and those of S.H.S. thoroughly profited from the experience, and it served to strengthen the ties of brotherhood between the nations.

## COLLEGE DAY

College Day, the Interact Club provides an opportunity for students to learn more about the colleges in which they were interested. Representatives from the Interact Club discussed education on several questions about entrance requirements, college courses, college size, available housing, and cost of tuition. After questioning the students about their college plans, the representatives learned what their respective colleges had to offer. This College Day was in this way of great benefit to the students.

## CAREER DAY

After Mr. Charles Marshall, the Texas Company delivered a message at the Career Day assembly, the students of Springfield High School turned their interests toward the subject of career planning. At the Career Day, sponsored by Key Club, the students were given the opportunity to explore the various aspects of many occupations by talking with adult representatives from their respective fields. In addition, a number of the students, out of the fifty volunteers represented, the students were able to find out about the college courses required to meet the demands of their desired professions.

# SENIOR CLASS PLAY

Under the direction of Mr. Andrews this year's Senior Class Play included a series of three one-act plays. The first, "The Marriage Proposal," by Anton Chekhov, was set in the 19th century. A rather wealthy old Russian man who could hardly wait to marry off his daughter, who at the end of the comedy marries a worry-wrought hypochondriac. The next play, "Riders to the Sea,"

by J. M. Synge, was set in an old fishing cottage in Ireland. The last play, "Hope Is the Thing With Feathers," by Robert Frost, was set in the 19th century. The plays, dealt with problems which were familiar to the homes in Central Park.

## VARIETY SHOW

Now an annual event at SMS is the 1964 Variety Show, sponsored by the Student Council and presented on February 29, 1964. Both a great review and a great Hawaiian Dance which commemorated the 1950 year. An estimated 800 students were present to view the five varied acts which included taking a piano solo, a horn solo, a guitar concert, plus an appearance of Springfield High's own version of the Beatles. Continuing to sponsor the American Field Service, the Student Council used all profits from the program to help exchange students come to our school.

## A. F. S.

### LILIANA RUBINICH

As Liliana Rubenich stepped off the plane in St. Louis late last August, she was greeted by her American Family, the Kings, and she began her exciting year as Springfield High School's foreign exchange student from Rosario, Argentina. Liliana's friendly smile and warm personality soon won her many friends during her busy year here before returning to Argentina to study medicine. Besides participating in many school activities such as Art Club, Les Bas Bleus, Junior Capitoline Staff, and Prom Committee, Liliana found time to discuss her life in her country and her reactions to America before many organizations. We are sure that every S.H.S. student wishes Liliana the best of luck in her future studies and career. Everyone has enjoyed Liliana, not only because of her interesting background, but also because of the friendship she has extended to the students.

### PAULA JUNGKUNTZ

On June 30, 1963, Springfield High School student Paula Jungkuntz left Miami, Florida, with sixty-five other students to travel to Brazil as a representative of the American Field Service program. After making the trip by chartered airplane, Paula was taken to her new home in the city of Salto in the state of Sao Paulo. Soon Paula became oriented with her new parents, her seven brothers and sisters, and her new way of living.

In looking back upon her summer's experience with the AFS program, Paula gratefully acknowledged the beneficial purposes of the entire exchange student policy. She states that AFS provides the participant with a better understanding of the people, the customs, and the everyday life of those in other parts of the world.

## MAY FESTIVAL

As a project of the Student Council, the May Festival was a means of raising money for our A.F.S. exchange program. Various homerooms, clubs, and the Student Council participated in the festival by setting up booths such as the one shown here.

raised the most money for its candidate, Kate O'Keefe, who became May Festival Queen. The evening fun ended with the crowning of the queen and her court and a dance.

Team photo of the cindermen

The cindermen this year made a fine showing. With seniors Bill Parr, Gary Williams, and John Prillaman showing the way, the track team had a dual meet record of two and one, and an excellent record in big meets. The closest meet of the year, and the most heartbreaking, was the City Meet. A closing rush by S.H.S. fell short by only three points as they lost to Fethans. Later the team avenged this loss by taking second in the District to Decatur MacArthur. There was a raft of strong juniors and sophomores, including four of the seven boys who advanced to the State Meet in Champaign. This fact, coupled with a strong sophomore team, promises a strong team for next year.

That wicked serve

The tennis team this year was one of the strongest in recent years. They finished the year with a perfect record of 9 and 0 in dual meets. In addition, they finished first in the Big Twelve, and second in the District Meet. Singles player Keys Allan and the doubles team of Steve Montgomery and John Thompson; played in the State Meet.

The golf team scored well this year under the direction of Coach Medel. They placed second in the City Meet and tied for sixth in Big Twelve competition. Bill Rost and Bill Marriott were top players for the year.

## INTRAMURALS

Even at night the school gym buzzed with athletic activity. Intramural basketball teams battled one another for the right to play the Faculty All-Stars. The Packers, led by Bill Parr and Larry Clark, won the tournament with a record containing no losses until they played the faculty.

# GIRLS' GOLF

Again under the able supervision of Mrs. McCoy, the girls on the golf team were given the opportunity to improve their game and to engage in competition with other members.

After the girls were divided according to their qualifying scores, they were restricted to matches within their established brackets. The members played the matches on their own time, thus much time and effort were devoted to the maintenance of a substantial team.

# GIRLS' TENNIS

Consisting of more than twenty girls, the girls' tennis team devoted many springtime Tuesday evenings to basic practice sessions. Under the supervision of Mrs. Jones, they attempted to improve their serves and strokes. The members participated in a single elimination tournament, of which the first place winner was Mary Wilson and the second place winner Verna Fernandes.

## NATIONAL HONOR SOCIETY

Founded in 1934, the Springfield High School branch of the National Honor Society was in 1962 designated as the Edia Nelsh Chapter of the organization. The object of the chapter has been to create an enthusiasm for scholarship, to stimulate a desire to render service, to promote dependability and leadership, and to encourage the development of character in students of Springfield High School. Eligibility for entrance is based upon the student's scholarship, leadership, character, and service. Not more than 15 per cent of the senior class or more than 5 percent of the junior class may be admitted. After being elected to the organization by a special board composed of faculty members, the senior members were honored at the city's Golden Laurel's Banquet held on May 28, and at the school's recognition assembly.

1. The first part of the paper is devoted to a discussion of the general principles of the theory of the structure of the crystal lattice. The author shows that the structure of the crystal lattice is determined by the balance of the forces of attraction and repulsion between the atoms. The forces of attraction are due to the electrostatic interaction between the positive and negative ions, while the forces of repulsion are due to the Pauli exclusion principle. The author shows that the equilibrium structure of the crystal lattice is determined by the minimum of the total energy of the system.

Dear Anna,  
 I hope it is not  
 too late for you to  
 come. I will be  
 home.

I'm a.  
Best luck in all the  
years to come it will. I think  
you don't need them.

Donna, it's been a  
lot of fun knowing  
you. Good luck in  
your junior year (you'll  
need it. Be good to all  
your boy admirers. Stay as  
sweet as you are now.

Love ya,

Dear Donna, little  
girl to the nasty keep  
the who could never on in  
the top of her two-price  
pool at the surf club. Lots of  
luck and all of that stereotype  
junk!

Lots of Love,  
Dee

P.S. Next year get a smaller suit!  
P.S.S. It's the truth that hurts!!

Donna...  
To a petit  
jeune fille qui est  
très sympathique!

Beaucoup de chance,

Donna,  
To a very nice  
and sweet girl  
that I haven't  
known too long!!  
Best of luck,
